

*“As a long-time professional in early learning, and with the perspective of 50 years of engagement with Head Start, I can certainly tell you that the program has touched the lives of many children and their families. My personal experiences tell me that our children and their families are better off as a result of having been in Head Start.”*

*-Jim Caccamo*

*MARC’s Director of Early Learning*

*First worked with Head Start as a graduate student in 1965*
